THE DEVELOPMENT OF GLOBAL COMPETITION
LAW: PROGRESS AND CHALLENGES

CHINA ANTITRUST ROUNDTABLE

DR. SU SUN

MANAGING DIRECTOR

SECRETARIAT ECONOMISTS

DECEMBER 6, 2023

Thoughts on Cooperation Between SAMR and Enforcement Agencies in Other Jurisdictions

- International cooperation in antitrust enforcement is important
- Three levels of communications and cooperation:
 - (1) Policy Level
 - (2) Method Level
 - (3) Case Level
- Focus on common ground: economics

Observations on the Evolution of SEP Licensing and FRAND Litigation in China

- Licensing of Standard Essential Patents (SEPs) and Fair, Reasonable and Nondiscriminatory (FRAND) principle
- Context: global SEP policy and litigation development
- Focus: SEP and FRAND development in China
 - From antitrust to patent infringement and contract dispute
 - From China rate to global rate determination
 - Convergence in estimation methods
 - From implementers as stakeholders to a mix of SEP owners and implementers
 - Evolution of licensing approach
 - Scope of SEP licensing
